## Microscopy and Microanalysis Journal Subscription Form for 2005

Microscopy and Microanalysis is now the official journal of AMMS Inc after our members voted at the 2002 AGM to accept an invitation to affiliate with the journal. The journal is published by Cambridge University Press and subscribers have access to the electronic journal via Cambridge Journals Online at no additional cost. This access includes back issues.

Through our affiliation, AMMS Inc is able to offer members a special individual subscription to the journal for 2005 for \$AUD40.00 (includes postage).
